

## **Interagency Ecological Site Applications Workshop**

### **General Evaluation Form**

**Tuesday, August 23 – Thursday, August 25, 2011  
Cheyenne, WY/Nunn, CO**

**Name (optional):** \_\_\_\_\_

Workshop objectives:

- Enhance foundational knowledge, skills and understanding of Ecological Site Descriptions, state-and-transition models and interpretations
- Determine ecological sites and ecological states through field site visits
- Showcase utility of Ecological Site Descriptions for conservation planning, assessment and monitoring in forest ecotones as well as semiarid rangelands
- Provide framework for understanding and participating in the move from first to second generation ESDs

Please help us assess this workshop and improve future ESD workshops by answering the following questions. Feel free to use the back of each sheet to explain or expand on your responses.

**TELL US HOW SATISFIED OR DISSATISFIED YOU WERE WITH THE FOLLOWING.**
